

### How Well Is Your School-Based Health Center Serving Students?

The number of school-based health centers (SBHCs) in California is growing, but with that growth comes a wide variation in practices – including varying degrees of connectedness to host schools. Is your SBHC delivering access to care, prevention, and individualized support in a way that enhances children’s health and educational outcomes? Take our survey to see where your SBHC stands and how you can improve outcomes. **Go to [www.schoolhealthcenters.org/sbhc-best-practices-checklist](http://www.schoolhealthcenters.org/sbhc-best-practices-checklist).**

### Join Us in San Diego April 30-May 1

You are invited to our 2015 school health conference April 30-May 1 at the beachside Bahia Resort in San Diego. Remember that members of our organization receive a discount on our conference in addition to access to valuable resources and technical assistance.

#### Don't Miss Our Next Meeting

**What:** School Health Coalition Meeting

**When:** Friday, **February 6**, from 10am-Noon

**Where:** Fresno County Office of Education

### Upcoming Mental Health Webinars

Learn more and sign up to attend at [bit.ly/cshawebinars](http://bit.ly/cshawebinars).

**How Students Can Establish a Mental Health Club at Your School** - Tues., Dec. 9, TBD

**How to Conduct Behavioral Health Needs Assessment in School Districts** - Thurs., Jan. 22, 11-Noon

### Covered CA and the ALL IN for Health Campaign for Schools

Open enrollment in Covered California starts Saturday, November 15, and Medi-Cal enrollment is ongoing year round. Do students and families at your school have what they need to get health insurance coverage? We have school-friendly materials from the statewide ALL IN for Health Campaign as well as detailed materials in multiple languages from Covered California, the state’s health insurance marketplace. **Contact Salina Mendoza at 559-940-0157 to obtain materials or learn more about getting families enrolled.**

### Take the National Census & Enter to Win a Free Conference Registration for San Diego

The School-Based Health Alliance is conducting a nationwide survey to better demonstrate your important school-based health work to state and federal policymakers. We will enter you into a raffle to win a FREE registration for our conference in San Diego if your SBHC completes the census by Dec. 15!

**Go to [ww2.nasbhc.org/censussurvey/census.php?state=CA](http://ww2.nasbhc.org/censussurvey/census.php?state=CA).**

### Make Your Case for School-Based Health to Key Stakeholders

Are you fully communicating the value of your school-based health center project to key stakeholders?

**Contact Marcel Reynolds at [mreynolds@schoolhealthcenters.org](mailto:mreynolds@schoolhealthcenters.org) if you need materials or support to make the case in your community.**

### Startup Projects / Partnerships and Collaboration

Stakeholders’ first collaborative effort should be to develop a mutual understanding of their shared work. Review resources “Create a Blueprint for Collaboration” Resource, Areas of Intersection, Guiding Questions, Letter of Agreement, Sample Roles and Responsibilities, and Consent and Confidentiality. Review- [Starting an SBHC webpage](#), materials for educators and health providers.
