### **CONNECT:** *Tap into a broad network of educators, health care providers, and funders*

- **Annual Statewide Conference:** Network with hundreds of health care providers, school personnel, and child health advocates from across California. Learn about the latest trends and new ways to improve well-being and success for kids in our state and nationally.
- **Priority Funding Opportunities:** Stay ahead of the curve on grants and funding opportunities. Get priority consideration for grants coordinated by the California School-Based Health Alliance.
- **Regional Youth Summits:** Give your students the chance to maximize their leadership potential through our Youth Board, Youth-to-Youth conferences, and Peer Health Insurance Rights Education (PHIRE) program.

### **GROW:** *Get the latest tools, strategies, and expert tips on topics like: sustainability, school integration, youth engagement, boys and men of color, and more*

- **1-on-1 Technical Advice:** Get up to four hours per year of personal guidance on expanding your school health services or school-based health center. Our experts are just a phone call away.
- **Online Toolkits:** Login to our exclusive members' only online library of resources that help you maximize your school health program.
- **Webinars:** Expand your knowledge on specific school health topics throughout the year. Our webinars are always free to members.

### **INFLUENCE:** *Lift your voice and the voices of California's kids locally and nationally*

- **Policy:** Be a part of our initiatives to improve children's lives in California and the nation.
- **Advocacy:** Give yourself and your students a voice through our Advocacy Days and through regular online and in-person actions for kids' health and well-being.
- **Membership That Matters:** Influence the strategic direction of the statewide movement to put health care in schools.
