

# Gain Valuable Work Experience in the Health Field!

## Health Career Connection Paid Summer Internship

HCC is seeking undergraduates from all academic disciplines interested in pursuing careers in:

- \* Public Health
- \* Health Education
- \* Health Policy & Management
- \* Community Health
- \* Nursing Administration
- \* Environmental Health
- \* Health Information Technology
- \* Medicine

Please note: Clinical or medical internships are not offered, however, pre-med students with interest in exploring other or related health career options are welcome to apply.

**SUMMER INTERNSHIP PROGRAM 2013**  
**APPLICATION DEADLINE:**  
**FEBRUARY 11, 2013**

Apply online and learn more at

[www.healthcareers.org](http://www.healthcareers.org)

If you have any questions, please call:  
(866) 579-4442 ext. 2

In 2012, there were 141 internships based within our 4 California Internship Program Regions.

HCC interns:

70% are offered employment where they interned

98% developed important professional contacts

92% established at least one mentor relationship

### Program Details:

- ◆ Paid summer internship (\$3,000-\$4,000 stipend)
- ◆ Ten weeks, full-time (40 hours /week)
- ◆ Internship placement in one of HCC Regions: **Northern California, Southern California, Central Valley, Coachella Valley, New England, New York/ New Jersey and North Carolina.**
- ◆ An apprenticeship model enables interns to have a dedicated project to complete while preceptors and HCC staff provide guidance and mentoring
- ◆ Professional development workshops and internship site tours
- ◆ Lifetime membership to HCC Alumni Association and access to HCC's vast network of health professionals
- ◆ Connection to health-related job opportunities

*HCC is committed to increasing representation of all racial and ethnic groups in the health professions. Students of color and disadvantaged backgrounds are strongly encouraged to apply.*

HCC connects interns to our graduate school partners, including: Schools of Public Health at UC Berkeley, UCLA, Harvard University, Columbia University, University of North Carolina, UC Riverside and CSU Fresno and Schools of Medicine at UCSF PRIME, UCLA PRIME, Stanford University and Wake Forest Medical School.

*The skills that I learned, along with my connections through networking, will provide me with the necessary tools to succeed in my health career."*
