Perform High Risk Screening		
<p>"Over the years, we've noticed that more and more young people are turning to the streets to make money for themselves or for other people. Sometimes students tell us that they're trading sex or 'going on dates' for money, clothes, a place to stay, or drugs. Other students say they've been asked or forced to let other people do sexual things to them. Has this ever happened to you or a friend?"</p>
